

October 6, Updates

Many changes have happened to Sam Schuetz Photography website.

First, the navigation links at the top have changed:

What's New has been moved under the Help link and has been replaced by Special Offers. The mobile app link has been activated and can be downloaded via Google Play or Apple.

I have added some Halloween décor to my website so please make sure you check it out! ☺ They can be found throughout the site.

The Scenic page has categories now to choose from: Birds, Flowers, Garden, Miscellaneous, and Sunset. Take a look.

The cars page has been updated with more photos.

The pets page has been updated with more photos: Bentley, Reba, Tigger.

Special Events Page: Back to School & Senior photos link.

Running page: Now has more than one category (Canoefest, More Running, Parents Night CC, Spring Green CC).

Baby photos have been added- Baby Holcomb(Delilah Grace)

Prices page has been updated: Reflects current prices

Seasons will show only most recent season and Holidays will show only most recent holiday.

Remaining photos & updates will take place while the site is live. Ex: More Green Screen, Pecks Market, etc. The search feature will be updated as well along with the sitemap page.

More photos of fall/Halloween will be added throughout the month of October & I will let you know as soon as they are.

Next Scheduled Update: December 1, 2013
